Reminders about exam week:

- Students *must* attend on scheduled exam days. It is up to students to ensure they are prepared to be successful in advance of their final exams.
- Grades 10 - 12 do not have classes after January 16. These students only need to come in on the day of their final exams *unless* they are required by a teacher to come in other times to complete missing assignments or redo assignments.
- Grade 9s do not have classes after January 20th.
- Students may be asked to come in during exam week by teachers when needing to complete work in order to be successful in a course. If a teacher has asked a student to come in to complete work, it is up to the *teacher* to decide when it is acceptable for the student to leave, not the student.
